Wrinkle Relaxer Aftercare

Post Treatment Instructions

Stay upright for 4 hours following treatment

Avoid the use of oil-based makeup and skincare products containing active ingredients e.g. retinol for 12 hours following treatment

Avoid direct pressure or rubbing of the affected areas for 24 hours post treatment

Be gentle when cleansing for 24 hours post treatment

Avoid strenuous exercise for 24 hours following treatment

Avoid consumption of alcohol for 24 hours

Avoid any surface-active treatments such as laser, dermabrasion, chemical peels for two weeks

Adverse reactions:

Please contact the clinic ASAP on (08) 9330 4400 if you experience any of the following:

Persistent pain, discoloration and skin blanching

Signs of infection (swelling, redness, heat, fever)

It is advised by your treating practitioner to return in two weeks post treatment to review final outcome after any side effects have settled and full effect of the product can be seen.
